

Judy Tobe (Toronto Grace Foundation) with co-chairs John Welch and Jeannie Butler

GRACEFUL GALA

Last month, Toronto Grace Hospital held its first gala evening. The benefit featured a performance of *The Lord of the Rings* at the Princess of Wales Theatre as well as a reception and dinner at Original Motorcycle Café on King Street West.

This gala benefit evening was to support Toronto Grace Hospital, a 119-bed facility providing palliative and complex continuing care to patients in their last days. This Toronto landmark has been ministering its special blend of care continuously for the last 100 years.

Guests included gala co-chairs Jeannie Butler and John Welch, the Rt. Honourable Joe Clark and Maureen McTeer, the Hon. Barbara McDougall and others.
